## 꿈속의 주인님

문/그림 손희준

*dream 36*

I think I have a general idea of what's going on in that room...

But I have no memory of why or how I'm here

Whose dream is this? Mon gil's? Or mine?

I don't know what happened recently. Is it okay if I act without knowing anything?

How is it? Feels good right~

You don't have to hold back~

.....

Ha~ I want to taste it. Manager's thick and sticky...

THAT SILHOUETTE  
AND OUTFIT... SO  
IT WASN'T JUST A  
SIMILAR VOICE!

Why am I  
there doing  
such things?!

Eutt...  
Heukk!!

그런  
상태

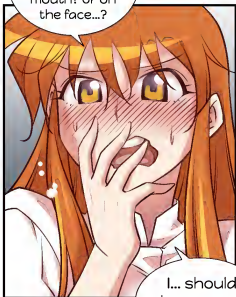

Haeuk...!

Kuu... Haak

AH...  
YOU ALREADY  
CAME?

Where  
did he do it?  
The inside... the  
mouth? Or on  
the face...?

I... should  
have come  
in earlier!

I was wondering who it was but if it isn't the useless main body~?

Why are you here?

Ahhh~ It's all over my face!

And from the looks of it dripping off my mouth... inside too?!

It's not like you don't have experience...

D-... don't suck it up! That thing...

**YOU DON'T  
HAVE PERMISSION  
TO PLAY WITH  
THAT BODY LIKE  
THAT, OK-?!**

Permission?  
Permission  
from who?

This is my  
will and desire,  
and I'm just putting  
it into action.

What...?  
My? That can't  
be...

I would  
never act that  
excitedly...

Yeah~ you  
yourself can't do  
it... But in some part  
of your mind, you must  
have imagined some-  
thing like this.

It would  
be nice if I did it  
with manager... no  
Mon gil~ like this...  
maybe?

The situation  
must go like this~  
could it be your  
goal?

W... wait!  
You're starting  
right away?!

She's  
watching...  
And talking  
to you!

Really~  
you're both so  
dishonest...

Weren't  
you turned on  
more if someone  
watches?

Watch carefully,  
this is how a true  
succubus does  
things...

Whether  
the prey wants  
it, or not, you lead  
him to do as  
you wish

The life  
essence of  
males...

Only  
then can  
you absorb  
it as your  
own

Now~  
hold my ass  
right now  
and slowly  
put it in.

Ah.....

Ψ-...  
yeah...

Yeah... There  
was a time when  
I once thought  
like that

Why can  
I... no, why  
can't I be...  
like that!

That  
unfamiliar  
reaction from  
Mon gil... is also  
what I wished... if  
he acted like  
that...?

Yeah  
... this is  
certainly my  
ideal situa-  
tion...!

Euu...  
something  
moist and  
soft is...

Touch-...

That awkward  
and shy appear-  
ance as if he's  
a virgin

하아

I wanted  
to do it like  
that...!

I want to  
do it! Even  
right now...

후후

후후

S-...

Stop...

I'll do it!  
Not through a  
substitute but  
by myself...!

Ha... ahh  
I feel it.

Your huge  
thick meat rod is  
slowly entering  
my body...

Ohh... I can  
feel something  
warm wrapping  
around it...

Are you  
listening?!  
Stop!

I'm going to  
do that with Mon  
gil right now!

To... to  
think that  
I'd say such  
things...

Ah... ah?!

후-욱

What do you think~

도각

Think, speak...  
The next is obvious, isn't it?

I'm passing the baton!

Enjoy all you want~ not indirectly, but directly...

If you're fine with it, I'm okay with 3p too...

WHY THE SUDDEN CHANGE IN ATTITUDE...

Th-...  
there's no way that'll be good~!

W-... what?  
What's up with  
you girls?

I don't  
have a say  
in this? What  
if I say no?

Even  
though~ he's  
like that?

Shouldn't  
you make him  
as honest as  
you?

Now~ come  
here!

Ah...  
wait I'm not  
ready...

딩작

H-... hey!  
Just what are  
you doing...

탁탁탁

You wanted  
us to listen to  
manager's  
opinions?

와라

Then listen to  
what she says  
and decide~

Now~  
make sure  
you give an  
offer he can't  
decline!

아

Beg  
for his  
cock like  
a horny  
slut~

BESIDES... IN THAT  
EXCITED STATE, ANYTHING YOU SAY  
WILL PROBABLY WORK...

**HAAH!**

T... this is  
because you were  
touching it...

It'll  
go down  
soon...!

See~ look  
at it! It's so big  
that even two  
hands can't  
cover it up...

Isn't this what  
you call served hot  
and ready?

W-...  
whose eating  
who~?!

Yeah...  
what am  
I waiting  
for...

Mon gil...

No...

Manager...

Doesn't...  
want it?

?!

...?

It's... what  
I wanted...

I... don't  
mind.

But...

Doing it with  
manager...

Why...

If you don't  
want to...

Then... I guess it  
can't be helped

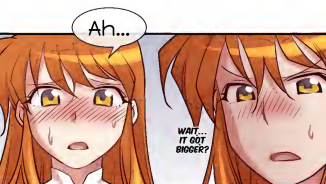

Am I only  
capable of saying  
such normal  
things...

**THAT BLAND  
TALK IS WHAT YOU  
CALL DARING...**

Okay.

This...  
is it!

It's what I  
wanted...
